

Add some INNOVATION to your Conference

Explore complex questions through play, design thinking and networking.

Network Central

Engage attendees by having fun while building their networks. Services include setting the stage, games and interactive activities. Option to be hosted by an experienced facilitator.

COST: \$100/hour

Design Jams

Based on Innovation Works' Solutions Lab concept, this is the perfect way to discuss issues and brainstorm solutions. A facilitator will guide the break-out session and tailor it to your needs. Outcomes include key action items defined, a graphic recording and connections to further discussions.

COST: \$100/hour

Pop-Up Market

Retail experiences featuring local products with a social focus in collaboration with Western University, Fanshawe College and London Gets Local. Market can be tailored to your sector.

COST: Based on number of vendors.

Ask your London Convention Centre representative for details!
